Letters To The Editor

What? No mail again today impossible, with all the activities going on around the campus now days, you would think that someone would have something to say. Only one letter has been received so far, and a lot of good hard work will go into this endeavor.

We have been pretty busy in the sports department. If you want to make any suggestions, you can write to Miss Strehlau or to one of the staff members. They may also be represented.

Dr. Grant Morrison, former director of the United States Office of Education, prompted this reporter to advise the Political Party of the entire United States will take up the question of a political party.

Prompts this reporter to advise, every generation has sacrificed its energies to improve the state of the country. If you look at the history of the country, you will see that in the past, there have been many efforts to form a political party. It is important to keep in mind that a political party should not be formed merely for the sake of forming a party. It should be formed with the aim of improving the country and making it better.

One of the speakers will be Mr. Jones, who is our Associated Student Body's speaker. He will speak at Highline College and will help the W.E.A. students at Highline with their problems. He will be Wayne Hertz from Central Washington University.

Activities for the student branch of the Washington Education Association at Highline College have been scheduled for February 1962.

On February 15, Barbara Kolb, Assistant Editor of the "State Journal" for the Washington Education Association, will speak at Highline College on the part the Washington Education Association plays in the nation's education.

On February 27 and 28, the student branches of the Washington Education Association of Junior Colleges will be held at the Olympia College. Student members of the W.E.A., at Highline will help with the arrangements.

Thank you, Kathy Blakes, Patricia Hothem, Doreene Geyley, Julia Hincus, Lucie Ehr, and Susan Ross.

W.E.A. Students Have Full Schedule

Have you seen the newly painted Student Lounge? Yes, the Associated Student Body has voted to change the name of the lounge. They want it to be the Associated Student Body Lounge. They hope to have it ready by the end of the month.

The Associated Student Body Lounge will be located in the first floor of the Administration Building. It will be open to all students, and the Associated Student Body will be responsible for its operation.

The Associated Student Body has voted to change the name of the lounge. They hope to have it ready by the end of the month.

See You in the Lounge!

A political party is a group of people who share common beliefs and values. It is a way for people to come together and work towards a common goal. A political party should be formed with the aim of improving the country and making it better.

The Associated Student Body has voted to change the name of the lounge. They hope to have it ready by the end of the month.

Highline Needs You

One of the most important things that a successful college needs is a sense of co-operation and a willingness to lend a hand. Highline is a new college and therefore must have extra help from its students in order to attract and maintain a good enrollment. We need more than just a handful of people to do all the work in establishing these new colleges and activities. All of the organizations need students to help paint posters, to decorate for dances, and to do other jobs. Many even need more volunteers and interest among the students to make various organizations more active.

Better attendance, more pop and interest is desperately needed at all our basketball games. One of the things that a college needs is a "peppy" student body that goes out in support of its teams. The team needs also need your input and support.

So next time you're asked to join a club or paint a poster, try to find time to lend a hand, and remember, to give all your support to your team.

CAMPUS CROWD

JonAnn Steckler

JonAnn Steckler stands out among the Highline College leaders as we look at him as a member of the first Campus Council. Just last November he met Clark College in a game that the Thunderbirds lost to the Thunderbirds in a game that they say was played at Glacier High School. Starting time for this game is 8:30 p.m. in a P.E. gym. The Highline College Choir will meet the ASB Officers in the lounge over time and there will be no need to pull full-length in basketball action there will be a student dance.

Choir Joins Others in Concert Feb. 24

The Highline College Choir will be included among 3200 participants who will sing in a choral concert at the University of Washington on February 24.

Conducting the Youth Symphony Orchestra of Seattle will be Virgil Kinos who is head of the University of Washington. The choir director will be Wayne Hertz from Central Washington College where he is in charge of music activities.

In the concert which begins at 3:30 p.m., there will be songs from church, church, church, and church. The concert will be presented by the Highline choir consisting of twenty voices, singing with four tenors, four sopranos, four altos and four basses.

For all music lovers interested in music, it is a terrific personality and is well liked by all the students. Ultimately he will be well loved by all that he undertakes.

Thunderbirds Fall to Rangers

The Highline Thunderbirds playing without Larry Anderson, who was sick, took their worst basketball beating of the season when they fell before the powerful Olympic College Rangers by the score of 88-83 in a conference game played at Olympic last Saturday.

Highline’s loss to Olympic gave them a record of three wins and four losses in conference play and pushed them into fourth place in the northern division standings.

Olympic playing a standout defense kept the Thunderbirds in the hole right from the start and after ten minutes of play, Highline was virtually eliminated from winning the game.

Olympic stole the ball three times in a row and went in for easy buckets. The halftime score stood at 48-22.

In the second half Olympic kept right on rolling and with a little less than ten minutes left in the game, Olympic moved out to a 74-41 lead. The last five minutes of the game Highline went into a stall, apparently to keep the score under 100.

Olympic had five men in double figures and Highline had four. Double figure men for the Rangers were Jim Hunter with 23, Terry Easter with 18, John Henderson with 14, and Darrel Minton with 11. Leading the Highline attack was Fred Miller who pumped in 10 points, Greg Wilson with 14, Jim Halte with 22, and Dick Layzell with 10.

Highline hit 21 free throws compared to Olympic's 16, but the Rangers hit 35 field goals in the Thunderbirds’ 6.

Thunderbirds In Game Review

Highline vs. Columbia Basin

The Highline College hoossiers playing one of the poorer games of the season fell before a strong Columbia Basin basketball team on Jan. 18 by the score of 79-58 in a game played at the Basilt.

Columbia Basin jumped off to a 7-0 lead in the game behind the outstanding shooting of Bob Andrews. The second half, Highline kept pace with Columbia Basin but was unable to pull away. The Thunderbirds played the Basilt in the opening game of the season.

Greg Wilson led Highline with 10 points, followed by Ron Kniss 12, Larry Anderson 10, Jim Halte 8, Fred Miller 7, and Layzell 5. Bob Andrews led all scorers with 26 points for the Hawks.

Highline vs. Centralia

The Highline Thunderbirds won their fourth game of the season and their third in conference play when they outscored the Centralia College Thunderbirds on Jan. 29 by the score of 86-62.

The first half was close all the way with Highline keeping a slight lead throughout most of the first half and building a 45-31 lead at the half. Toward the end of the half, Centralia had players doing just about all the scoring for Highline. The Thunderbirds held off a late game push by the Thunderbirds, scoring the game away for the win.

High point men for Highline were Larry Anderson and Dick Layzell with 10 each, followed closely by Ron Kniss with 12, Greg Wilson and Dan Swanson each scored 10 points. High point men for Centralia was Doug Hubbell who hit 22.

Highline vs. Skagit Valley

The Highline Thunderbirds conference basketball record was upped to 3-3 after they fell to the Skagit Valley College Skagis on Jan. 29 by the score of 78-72.

Skagit Valley, led by Lowell Scott and Bob Kilidal, got off to a slow start, but midway through the first half the Thunderbirds started scoring and took a commanding 40-22 lead at the half. The second half saw Scott and Kilidal hitting the basket to keep their team in the game. By the end of the game there was a 16 point difference and a 78-62 win for Skagit Valley who kept their conference record to two and two losses.

Kilidal paced the Skagit attack with 27 points, followed closely by Dan Smith with 15 and Jim Halte who had 12. Greg Wilson and Dan Swanson each scored 13 points. High point men for Centralia was Doug Hubbell who hit 22.

Student Stranded For Five Days

Ski Club-Missed Trip

After missing his planned trip to the ski resort
in early February, Mr. John Rice was stranded in
the mountains for five days. He had set up camp
near the resort and was looking forward to some
day skiing. However, a sudden snowstorm
prevented him from reaching the resort, and he
was forced to stay in the mountains alone.

The students were concerned for his safety and
sent a rescue team to the area. The rescue team
found Mr. Rice in a small shelter near the ski
resort. He was dehydrated but otherwise in good
condition.
