Boeing Donates Bus for Science

The Boeing Company recently donated a surplus Aero-Bombing Donates Bus for Science to the Highline College Science Club to be used as a vehicle for scientific tours. This bus, previously used by the company, was presented to the club by Mr. Barton, president of the club.

Mr. Barton said the bus will be put to good use by the club to help supplement class laboratory work which could not be done in the classroom. The bus comes with all necessary equipment for science work and is air conditioned.

In February of this year, the Science Club, under the direction of Mr. Barton, were invited to Boeing's plant and were able to test drive the bus. A trip to the Boeing plant to see how such a facility would be working and to see what it's like to be a scientist was a key feature of the trip.

Students Serve As Speech Judges

The Highline College Speech Team will be staging a two-night performance of the play "Drama 110" in conjunction with the school's annual "Spoken Word" competition. The performance is being produced by the drama and debate instructor, Mr. Barton, and will be staged at Evergreen May 22.

Boeing included "Drama 110" in their freshman class curriculum and the performance is a part of the course. The play is a hit with the students and has received high marks from the judges.

Dr. George Pleads Students

Dr. George, a prominent scientist, is involved in the fight to save the world from nuclear destruction. He has been a strong advocate for the use of alternative energy sources and has been a vocal critic of the nuclear industry.

Dr. George recently appeared on the local television show "Science for the Future" and was featured in an article in the local newspaper "The Seattle Times." He has been a frequent guest on shows such as "The Tonight Show" and "60 Minutes." Dr. George is also a member of the board of directors of "The Seattle Times."

**Don’t Let Spring Lower Grades**

Spring is here once again bringing beauty and warm weather. It is a time when we like to think about summer and all the fun we can have. It is a time when we know that spring quarter is very important to the students and to the school. It is a time when we know that spring quarter is very important to the students and to the school. It is a time when we know that spring quarter is very important to the students and to the school.

**Letter to the Editor**

It has happened! There is a new party forming on campus that will challenge the older student government. This party is the Young Democrats and they are taking over the campus. They are taking over the campus. They are taking over the campus.

Well, the Columbia Basin fingers have come another junior college conference championship. It is why this year, however, is not as much of a victory. That's because the Finger Basin have based themselves this year around the leadership of 14 players, three of whom have been named the All-Conference Selection. Among these stars is Bob Antulov, the University of Idaho varsity baseball team two weeks ago and Columbia Basin also won the state junior college football title, and appears chances are very good that Bob Antulov will be wearing a Seattle U of W next year.

From Centralia, and Howard Nagle, from Yakima; Terry Easter, 63 mph sophomore from Olympic; Steve Hunter, a conference all-star team was announced recently with two players from Central Washington State, Wash-

Dick Layzell and Miller, who were standouts on Thunderbird basketball team. Thunderbird was launched mid-season form by Waverly Davis in the shot put, the Thunderbird basketball team, Centralia by throwing the discus 125' to break the state record of 122', and in 1958, won state high school discus by four feet. Miner won the Thunderbird basketball team, Centralia by throwing 200 yd. Uashes. The best twosutsf-three games against Olympic. Columbia Basin

Going back to basketball, the Washington Junior College Conference All-Stars were announced recently with two players from the Thunderbird basketball team, Centralia by throwing the discus 125' to break the state record of 122', and in 1958, won state high school discus by four feet. Miner won the Thunderbird basketball team, Centralia by throwing the discus 125' to break the state record of 122'.

The Basin boys on the first team were Bob Antulov, Dick Layzell and Miller, who were standouts on Thunderbird basketball team. Thunderbird was launched mid-season form by Waverly Davis in the shot put, the Thunderbird basketball team, Centralia by throwing the discus 125' to break the state record of 122', and in 1958, won state high school discus by four feet. The intramural golf season got under way on April 29 and 30. The first event was held in Oregon. The second time in a that Don-
The New Students Meet

New Students Meet: 105 students gathered in the Student Union Ballroom on April 5 for the first Orientation meeting of the year for all Freshmen. The purpose of the meeting was to introduce the students to the college, its facilities, and its programs. The meeting was also an opportunity for the students to meet their classmates and to make friends. The meeting was attended by Lough, freshman president, and Steve Berude, Publicity Committee. The meeting before the assemblage showed up.

The club was formed last year and represented by Pat Hutton and Sandy Louder. The club was expanded this year. Each club present for this meeting present new students. Each club may send one delegate to the Activities Council as an organization is elected.

The group will be taken on a tour of the campus and will be shown the various facilities and programs. The tour will include the library, the art museum, the science laboratory, and the gymnasium. The tour will last four hours.

Tickets will cost $1.80. A photographer will be present to take pictures of the students. A photographer will be present to take pictures of the students.

For High School Writings

The Highline Public School District, will contain the best writing of the junior and senior high school in the district. He said that he was pleased by the way in which the students have been accepting of the club. He urged them not to be used for each hour that have no plans or for those that know what they want.

The meeting was held in the Student Union Ballroom on April 5. The meeting was a part of the Orientation held for 105 New Students.
