Belben, Clark, Logan To Lead

New A.S.S. officers for next year are H. C. Paul Belben, chairman; Charles Clark and David Logan. 

Belben, a social studies major, is enrolled in a special honors section of English at HSU.

Clark, a business administration major, plans to run for national office for next year.

Logan, a business administration major, also plans to run for national office in the spring.

Big Things Ahead For Soph Class

Our new sophomore president is Glenn Clark.

Clark was born in Seattle twenty-one years ago on May 3, attended high school at Clover Park in Tacoma. Clark's likes include blondes, brunettes, and redheads. Glenn has seven major plans for this year's sophomore class.

1. "Since no one ran for secretary, I have to find an attractive sophomore girl to sit on my lap and take notes."

2. "I plan to maintain close contact with the sophomore cabinet officers of other community colleges to find out what activities they perform, how they perform these services, and how many cute girls they have."

3. "I plan more student activities at Highline and yet to maintain equal or lower college goal. Faculty recognition of the need for more space through signed petition of majority of Highline students."

4. "I intend to make the sophomore dance bigger, better, and cheaper."

5. "The sophomore class will become one of the remembered activities of the year."

6. "I will try and increase student interest in such sponsored activities as service clubs. This could be done through passage of a student activity hour."

New Modern Campus For Highline College

An open house of the new modern campus for Highline College was held this week. The new campus is located at 8000 188th St. S.W., Seattle, Wash. The new campus will be open to the public next year.

Dr. M. A. Allen, associate provost, was in charge of the open house.

Freshmen Elect Class Officers

Springer Named I.O.C. Member

The freshmen class elected Mrs. Jay Springer, 9414 Sth S.W., Seattle, is a graduate of school year in late September. Her present with John Logan, Patty courses are English, English, and emerging as president, vice president, and secretary, respectively.

Nancy, daughter of Mr. and Mrs. Morris Angell, 8650 Island Drive, Seattle, is a graduate of Rainier Beach High. She is busy with Spanish, Geometry and English besides her duties as secretary.

Although the office haven't had much chance to meet, respect for each other, respectively.

John, better known as "Leqp," is the son of Mr. and Mrs. John F. Logan of Seattle, and a graduate of West Seattle High. He is now taking algebra, English, business and accounting as classes. John says that although this is his first experience as a class officer he will endeavor to fulfill the confidence placed in him by his fellow classmates.
HIGHLINE COLLEGE
THUNDER-WORD

A Look to the Future
Since the majority of students attending college today are from small towns or rural areas, they should not be surprised if the library is one of the main places that they go to. Many students do not spend much time in the library, but it should be a place where they can go and find what they need. The library is a great resource for students, and it should be used to its full potential.

Drama Class Presents Two Plays
The Drama Class is presenting two plays this fall. The first one is "A Midsummer Night's Dream," which will be performed in mid-October. The second play is "Hamlet," which will be performed in late October. Both plays will be performed in the college auditorium.

Check Your Calendar
Don't forget to check your calendar for upcoming events. The college will be hosting a number of events this fall, including a Poetry Night, a Music Festival, and a Film Festival. Make sure to mark these dates on your calendar so you don't miss out on any fun activities.

Did You Vote?
Make sure to vote in the upcoming election. It is important to participate in the democratic process and have your voice heard. Remember that the election is only a few weeks away, so get out and vote for your candidates of choice.

Library Groves into Separate Building
The library will be moving to a separate building this fall. This move will provide more space for the library and allow for better organization. The new building will also have a more modern feel to it.

CARS ON CAMPUS

This is the last issue of the Thunder-Word. Be sure to come back next fall for more news and updates from the college community.
Sheriff Warning Given

Mr. Blake Speaks

By John Bernard, Orange County Press

Mr. Blake will address the Engineering Club on November 12th at 7:00 at Highline College. He will speak on the subject of "Safety in Engineering," which will cover the subject of "Safety in Engineering." Mr. Blake has been a gave an interesting talk on this subject at Pomona College. He is a noted safety expert and has written several articles on this subject. His talk will be well worth attending.
