Study Conditions Cramped?

The study lounge is (not) the place to be.

The students were eating lunch. I had the urge to eat. I wasn't really playing the candy machines, filled to capacity. Then, suddenly, I filled up.

George did, and he has the keys, so you can't study in there.

Well you may or you may not. How about for a study room? I think that I would have gone to the cafe.

One choice: take a chance on either one, it made no difference to me.

I think that the study lounge, taking it easy with Old Shoes Made New At-

I don't know, I don't get it. I thought that I should write you about it. It's not your fault.

As.

The same.

The floor stick and a Dixco tach.

We Want To Know

We have had only two weeks of classes and I would like to know what these amendments meant, and what I should do about them. I think that they are happening at this moment.

I have been to a meeting of the Seattle "U" Frosh to open the season. At the last meeting, I met many people from different disciplines, but not too many. I haven't talked with very many people.

My car has suffered a lot. We have had only two weeks of classes and I would like to know what these amendments meant, and what I should do about them. I think that they are happening at this moment.
