Gone Tonight
With H-W Fresh
By Nell Armstrong
The Freshmen Forum of the American College of Philanthropists in Seattle invited us all for a 
truly unique evening. To appreciate the evening, one must understand the history of the College.

The Forum was held in the Manhattan Club. The Faculty of the College were invited, and many were on hand.

The program was one of the most unique and interesting ones ever planned. The audience was divided into groups of two or three, and each group was assigned a different aspect of the College to discuss.

The topics included: The College's history, its purpose, and its goals. The audience was given a detailed explanation of the College's philosophy, and its role in society. The students were also given an opportunity to ask questions and express their own ideas and thoughts.

The evening was a great success, and the students were all very satisfied with the arrangement. The groups were given a chance to express their own ideas and thoughts on the College, and were able to gain a better understanding of the institution.

Winter Wonderland Dance Dec. 21

The student council is planning a Winter Wonderland Dance to be held on December 21. The dance will take place in the Manhattan Club, and will feature a variety of music and entertainment.

There will also be a special guest, a board member of the American College of Philanthropists, who will be speaking about the College's history and its future.

The dance is open to all students, and will be a great opportunity to meet new people and have a good time.

We ask all students to come to this affair.

CARS ON CAMPUS

The car is the pet of the modern college student. It is easy to see why. These cars are the only reliable means of moving from one class to another. The campus is vast, and traffic is heavy. However, there is an interesting fact that the on-campus student is not always the owner of the car.

Letters to Editor

In the December 11 issue of the Thunder-Word, the staff made a proposal to present pro and con arguments about a student's franchise as a citizen of the U.S. The amendment and then ask questions. If everyone who did not know what they meant were interested, they should have made an attempt to attend. These are presented. How many have attended our previous basketball games?
