Editorial ... Kan E Yas O

A tradition has been established at Highline College. Let your student leaders know about it. The activities of the week will be focused around a theme of high school or university homecoming. They are planning activities which will be the result of many hard working individuals rather than the usual small group of one or two doing all the work. This year, the events include a parade, a bonfire, and a basketball game.

Each planned event has required a great deal of time and energy on the part of the students involved. They are constantly working to make the events a success for everyone involved.

Therefore, even the posters you see around campus are the result of many hours of hard work.

Odds 'N Ends

NO MORE NEWS

A trend that has been noticed in the student body is the lack of news. It seems that there are no new events or activities happening on campus.

UNION AND STAFF

An outlet for the student body is the union where the student council meets.

Letter to Editor

OMNI DUMPT

Dear Editor:

The theme coming up for the Freshman Class is the movie, "The People of Vietnam," which has been a popular topic on campus. The students are excited to plan activities around this theme.

The movie "The People of Vietnam" was released last year and has been a hit with students and faculty.

The theme will be "Vietnam Film Show," and a special screening will be held to promote the show.

The role of the movie in the Vietnam War will be explored, and the audience will be able to see firsthand the lives of the Vietnamese people.

The screening will be followed by a discussion with the students who have been involved in the production of the film.

The movie focuses on the lives of Vietnamese people during the war, and the students hope to bring the story to life for the audience.

Please join us as we celebrate the theme of the Freshman Class with a special screening of "The People of Vietnam."
KAN E YAS ROYALTY CANDIDATES
Vote for TWO Sophomores and ONE FRESHMAN

Presented on this page are the six lovely candidates for Kan E Yas Royalty. They are representatives of the various clubs and organizations on campus. Today you will vote for these charming candidates to determine who will wear the crown. The vote will take place in the Student Lounge.

These six finalists who are vying for the royal crown were selected last fall. They were judged by the board of students and faculty on poise, charm, and their ability to answer situation questions. Only one of the sophomore girls can become queen. The runner-up will be named Sophomore Princess. The Freshman girl receiving the highest number of votes will be the freshman Princess.

Don't forget to vote for your royalty. The winner will be announced at the Queen's Coronation in Pavilion Sunday night.

MEET THE CHEER STAFF

Students of Highline College, meet your 1967-68 Cheer Staff!

Marcia Hay
Pat Td
Barb Palm
Vincenzi

Highline's enthusiastic cheerleaders have the tremendous task of generating pep and school spirit into the students during the basketball season. The past few weeks the girls have practiced very hard, learning new cheers, yells, and routines for the basketball season.

Cheerleader Jo Vincenzi summed up the group's feelings as she commented on the last pep rally: "Many of the students were just onlookers content to let the other guy do the yelling. There are only five of us and we want everyone to take an active part in the yells and cheers. We want the team to know we are behind them all the way."

The girls wish to express their appreciation to their adviser, Mrs. Karen Frank, for all her help to the Pep Club, to the band and to the many fans who have been loyal through the years.

The band will also accompany the girls this year during the games.
Thunderbirds Trounce Samurai

By Dale Melhiser

The friendly face of the Thunderbirds was revealed at its best Sunday afternoon when the T-birds, coming from the East, took on the Highline College Samurai, who held court in their own local Pavilion. The Tuesday, December 28th, game was played in the Highline College Pavilion.

The T-birds, elevated and back in the starting lineup, played a well-rounded effort. Scott fisher, who scored 11 in the first half, came down from Mount Vernon to try for their second straight win over the home team. Jon Shotberg and Bill Eldred, who scored 13 points, ten rebounds, and four assists, while Ross had 12 for the first half, led the T-birds to victory.

Thunderbirds Win, Lose; Drop to Third

By Steve Calvin

A tight 11-point margin was maintained throughout the game, with the T-birds leading 69-58 after 25 minutes of play. The Skagit Valley College Vikings, who held a seven-point lead in the first half, were unable to overcome the T-birds in the second half. The T-birds ended up with a 21-point lead over the Vikings, 80-59.

The Vikings, who scored 13 points in the first half, were unable to comeback in the second half. The T-birds, led by Jon Shotberg, who scored 13 points, ten rebounds, and four assists, were able to hold off the Vikings.

T-Birds Split in Conference Play

The 1984-85 season has been a season of transition for the T-Birds, as they have been rebuilding from last year's state title. The T-Birds have had to adjust to the loss of several key players, including the team's leading scorer, Jonathan Johnson. Despite these losses, the T-Birds have managed to maintain a strong presence in the conference.

In a recent game against Big Bend, the T-Birds were able to comeback from a 14-point deficit to win the game, 89-78. The T-Birds were led by their defense, which held Big Bend to just 78 points. The T-Birds' defense was aided by their strong rebounding, as they managed to grab 16 rebounds against Big Bend's 8.

The T-Birds' defense was also aided by their strong bench, which managed to provide solid support throughout the game. The bench scored 20 points, compared to Big Bend's 14. Marilyn Lindgren Wins Pontiac GTO

by Robert Cook

Chapin Lindgren, carpenter for the Highline College Fine Arts Department, won the Pontiac GTO that would serve as excellent collateral for his educational debts. Lindgren, a senior at Highline, was one of the five students who entered their names in the annual Winter Festival Raffle. Lindgren says he entered the contest hoping for the chance for the GTO, it was the key in backwards ("9 gmt it way") and when it didn't start, he thought all keep went about, but Marlyn had no trouble at all in starting the car. The car was equipped with a dashboard. It's equipped with a few gifts, including a new Pontiac GTO.

The general semantic's approach was to save the car and personality. Haircoue, more interesting. For example, those involved in the study of the car and personality were interested in the fact that general semantics may not provide the most effective solution to the problem.
