Jon Braun Speaks
Talk is Success

Jon Braun gave an enlightening talk on "Sex and College Students." In his presentation, he discussed the main problem of students' identity. The easiest way to deal with this issue is to understand that people should not be judged solely by their sexual behavior.

Braun also emphasized the importance of having a deep respect for others' perspectives. A point of view is one which all people should pay attention to. He encouraged the audience to go around the country and listen to people's experiences, not just the voice of the majority.

The importance of intercourse was discussed, and Braun pointed out that for many, it is purely physical. All sex should have a meaning and be a total exchange. He said that mutual trust and respect are necessary for a sound marriage.

Braun mentioned four major troubles: rape, population, and abortion. The message was that the whole story is important in a marriage. He advocated for a child's growth and said it is important to love each other more than one's self. And that mutual trust and respect are necessary for a sound marriage.

New Shoe Fashion

By Delena Cook

Once upon a time, there was a little girl who loved to dance. She would twirl around in her little red shoes, making everyone laugh. She was known as "Miss Twirl." But little did she know, her style was about to change forever.

"Twirl" was always the first to arrive at the dance. She would stand out from the crowd, wearing her own unique style. People would stop and stare, admiring her. She became the talk of the town.

One day, the little girl heard about a new fashion trend called "the quintessence of the Twiggy-everything." She was very interested in this new fashion, and decided to try it out for herself.

She went to the local store and bought a pair of red shoes. They were just like the ones she wore when she was little, but they were made of a different material. She was very excited to wear them.

When she arrived at the dance, everyone was amazed by her new style. She had transformed herself into a fashionable girl, and everyone wanted to know where she got her shoes.

"Twirl" was very happy with her new style. She knew that she had found something special that would make her stand out from the crowd. And so, she continued to wear her red shoes, twirling around the dance floor, making everyone laugh and admire her style.

COLOGNE IS NOT POE "LADIES ONLY!"

By Chris Bathem

"Ladies Only!" is a fragrance that has been around for a long time. It is a popular scent for women, and has been the go-to choice for many years. But recently, "Ladies Only!" has become controversial.

People have been asking if it is really "Ladies Only!" or if anyone can wear it. The answer is yes, anyone can wear it. It is a unisex fragrance that can be worn by both men and women.

"Ladies Only!" has a sweet and floral scent, with notes of jasmine, rose, and pea flower. It is a very feminine scent, but it can also be worn by men.

The controversy around "Ladies Only!" started when a few men started wearing it. They received a lot of backlash from the public, who thought it was a female fragrance.

But the truth is, "Ladies Only!" is not just for women. It is a great fragrance for men as well. It is a very versatile scent, and can be worn in any season.

So, forget about the controversy, and wear "Ladies Only!" with confidence. Whether you are a man or a woman, you can wear this fragrance and feel good about it.
