Johnson Pulls Political Coup Of The Age

Martin Olloom: I think Johnson made the right way to go about it. The speech has been a long time coming. I think that he did a good job of it, but then again, it's almost impossible to believe that Johnson's announcement was made at the very moment of the end of the war. He had been speaking for a long time. Then, after the announcement, he said that it was the right time to announce it because he had been planning it for weeks if not months. Then, when asked why he thought the announcement was made at the right time, he said, "I don't know." He also said that he had been planning it for weeks if not months. The Musical Cop-Out

By Harry Steinberg

Eastern music experience is closely connected with the religious and cultural tradition.

That's where the music comes from, and that's where the audience is.

The question then remains. How authentic is it? Is this music a genuine part of that tradition?

We encounter this state of mind that has achieved widespread elimination or acceptance. This is the state of mind that has been referred to as the 'psychedelic fad.'

It's music to make love to. It's very gentle and soothing. Try it on for size.

The ego is a thing. You're not able to handle life; no one lets you.

This is the first time I've ever listened to so much Judy Collins. Most of the songs on this album are extremely beautiful. In particular, 'Song of Susannah' is a wonderful example of the Judy Collins style. It's gentle and soothing. Try it on for size.

Whether you're a child or an adult, you can encounter this state of mind. Try it on for size. It's music to make love to. It's very gentle and soothing. Try it on for size.

We do our work - as slowly.

New Eastern Bay

Parked by the sea
While singing for us, rounding out to Texas.

Between dipping reservations and spectacular sights
She had a revelation:
She realized someone else was there.

Little days like these
It's not as long
She was early, feeling away.

This is the end:

(Shimmer, solemn, sorrowful, silent, still, still, still)
She stood:
She stood there.

Baking Day

My home was friendly, more with baking
Today. The bread was crusty and brown
As the tea and milk, of the red silk
It was easy to see, when bread was.

Baking Day.

The Hawk

4. Mississippi. More Marines will die.

5. Up ahead one must

6. That's what she saw

To send me down to Hades' Home
Than any other sinner's lair.

I have a fondness

For handling me

I simply cannot hate.
