

How to Search for Classes Using the Mobile App

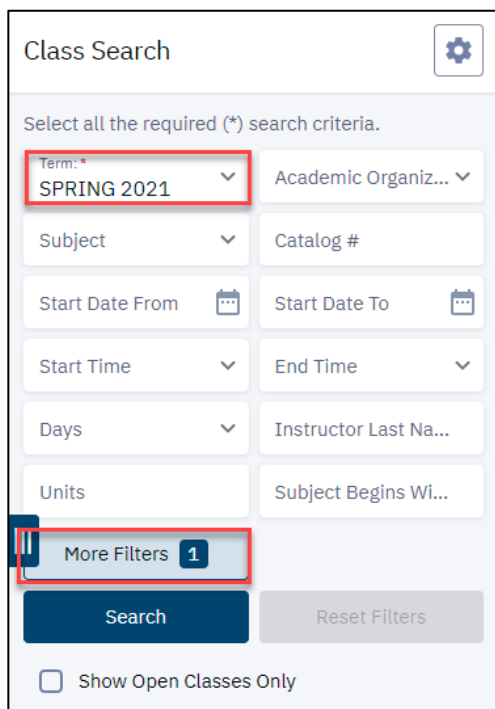

This guide will show you how to search for classes on your mobile device using the ctcLink mobile app or using the mobile-friendly webpage on your computer. You will be able to save the classes to your **Planner** or **Cart** to help you enroll at a later time. If you don't have the ctcLink mobile app on your device, see "How to Download ctcLink Mobile App" guide.

Directions

1. Open the ctcLink app on your mobile device or go to Highline's mobile site at <https://mobile.highline.edu>.
2. Click the **Class Search** tile.

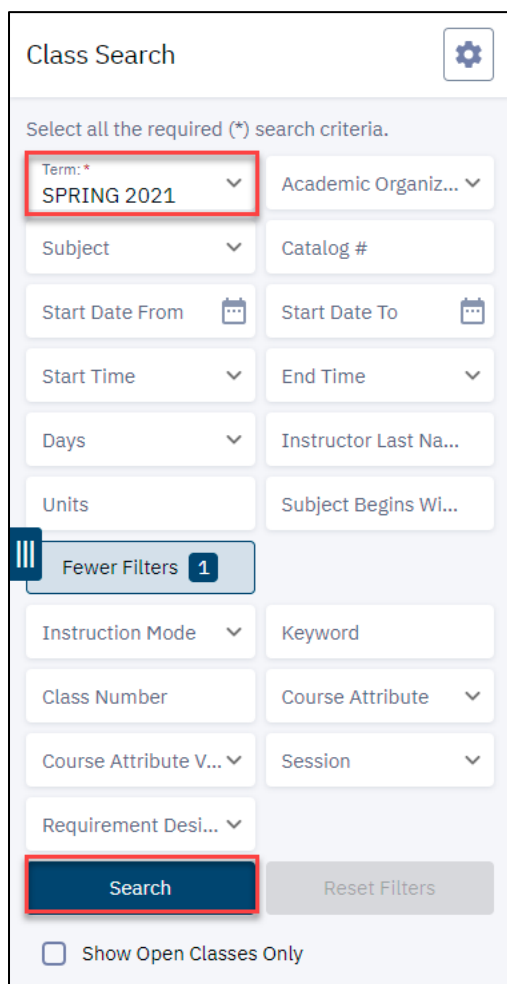

3. The **Class Search** screen will display. Select the term (quarter) from the **Term** drop-down menu. Several other fields allow you to choose search criteria and filters to narrow your search results. Use the **More Filters** button to open additional filter options.

The screenshot shows the 'Class Search' interface. At the top, there is a title 'Class Search' and a gear icon. Below the title, a prompt reads 'Select all the required (*) search criteria.' The search criteria are organized into a grid of input fields. The 'Term' field is highlighted with a red box and contains 'SPRING 2021'. Other fields include 'Academic Organiz...', 'Subject', 'Catalog #', 'Start Date From', 'Start Date To', 'Start Time', 'End Time', 'Days', 'Instructor Last Na...', 'Units', and 'Subject Begins Wi...'. A 'More Filters' button with a '1' indicator is highlighted with a red box. Below the filters are 'Search' and 'Reset Filters' buttons. At the bottom, there is a checkbox labeled 'Show Open Classes Only'.

4. After you have selected the criteria and filters, click the **Search** button.

This screenshot shows the 'Class Search' interface after clicking the 'More Filters' button. The 'Term' field remains highlighted with a red box. The 'More Filters' button has been replaced by a 'Fewer Filters' button with a '1' indicator. The search criteria grid has expanded to include 'Instruction Mode', 'Keyword', 'Class Number', 'Course Attribute', 'Course Attribute V...', 'Session', and 'Requirement Desi...'. The 'Search' button is now highlighted with a red box. The 'Reset Filters' button and the 'Show Open Classes Only' checkbox are also visible at the bottom.

5. A list of available classes that match the criteria and filters will display. Click the **View** button for additional class details.

English Composition I | ENGL& 101

ACF-LEC (14397) [View](#) ⋮

Section: ACF
Instruction: Hybrid
Mode:
Units: 5
