WORKFORCE EDUCATION SERVICE (WES)*

The WES department at Highline College can provide tuition assistance and support services for some CE short-term certificates and professional/technical AAS programs if a student meets funding and program eligibility criteria. To learn more about WES grants and eligibility criteria, please attend a mandatory funding orientation in Building 10, Room 103. For more general information, please visit our website at workforce.highline.edu.

Orientation Hours

(September 4–June 26) 1–3 p.m. every Friday

For any additional questions, please contact WES at (206) 592-3802 or email retrain@highline.edu.

STUDENT TESTIMONIALS

One of the many reasons that I enrolled into the course was to find out how I can enhance my skill set on my job by becoming a better asset to the team, and to gain knowledge to further my career as a security officer. —E. Brazil (Fall 2015)

We learned about behavior awareness, situational awareness, and attention to detail. There was a lot of information to take in but well worth it. I can't wait for the next session! —A. Vellejo (Fall 2015)

My eyes have been opened to a lot of things now. I feel more alert and aware of my surroundings when I'm out in public. —B. Trent (Fall 2015)

PRIVATE SECURITY ACADEMY

The Private Security Academy (PSA) is designed for individuals either currently employed or seeking employment in the private security field, loss prevention, assets protection and other police functions.

The academy will satisfy the state-mandated PSA curriculum. Students will also participate in additional specialized training which will enhance their skills, providing greater career opportunities. An emphasis will be put on internal and external communication skills, report writing and observation skills. Students will also utilize the college's Learning Management System - Canvas - for weekly assignments, discussions and resources. Using Canvas will allow students to learn skills in Microsoft Office Suite (Word, Excel and PowerPoint), internal communication skills and time management.

Students who successfully complete the Private Security Academy will earn 8 college credits, applicable toward the Associate of Applied Science degree in Criminal Justice at Highline College. Students will also receive First Aid/CPR certification.
