**DISCLAIMER:** The absence or presence of information in this system does not imply any recommendation, endorsement, or guarantee of competence of any health care professional, the mere presence of such information does not imply a practitioner is not competent or qualified. Please refer to the [RN and LPN primary source verification website](#) for more information on nurses practicing with a multi-state license as this information is not available on Provider Credential Search.

Access to high volumes of Provider Credential Search data is available at our [open data portal](#). It gives users a variety of searching, filtering, and data exporting options. We implemented this system to better serve our high-volume customers.

## Provider Details

The Washington Department of Health presents this information as a service to the public. This site provides disciplinary actions taken and credentials denied for failure to meet qualifications. If the Enforcement Action column is 'No', there has been no disciplinary action. It allows viewing and downloading of related legal documents since July 1998. Contact our [Public Records Office](#) for information on actions before July 1998. This information comes directly from our database. It is updated daily.

This site is a Primary Source for Verification of Credentials.
