Multimedia Design

Associate of Applied Science

Program description

How many videos, animations, motion graphics have you watched this week? Ever wonder how these were created? Multimedia Design brings video, audio, graphics, photography, and web design into one technical skill. Highline College recognizes the need for well-rounded artists in this exciting and booming industry. Graduates will be skilled in using a variety of mediums to create informational or promotional videos, brochures, web designs, or interactive presentations using industry-standard software and equipment. Program map

This program map contains recommended courses to complete your degree. It does not replace meeting with an advisor. Please meet with an advisor to discuss your goals and plans.

*Supporting Course Electives: With the help of an advisor, choose 25 credits of ART or VICOM courses, such as:
- VICOM 105 Intro to Design Graphics
- VICOM 211 Intro to Animation
- VICOM 110 Graphic Design I
- VICOM 100 Intro to Web Design
- VICOM 200 Web Design II
- ART 147 Intro to Digital Photography

The Integrated Design BAS requires VICOM 105 or VICOM 165.

Note: Not every class is offered every quarter. Ask a faculty advisor when specific courses are being offered.

Updated 10/5/2023 by Z. Harris

1st Quarter: Fall
