

# Criminal Justice

Associate of Applied Science – AAS

Transfer to *Lake Washington Technical Inst, BAS in Behavioral Health*

## Program description

Criminal Justice courses at Highline College teach the practical knowledge about how the Criminal Justice system works and the necessary skills, including critical thinking and communication, which students need to work effectively in the Criminal Justice system and be an advocate for justice in their community. Students can enroll in short-term certificates, a professional technical degree designed to prepare students to enter the workforce, or a transfer degree designed to prepare students for further study at a four-year school. This program map is for the non-transfer student. [Learn More](#)
