

Tukwila School District Mathematics Transcript Placement

What was the last math course you took?	What was the grade you earned in the last semester?	If you completed it within ____ of today's date	You place into _____
1st Year Algebra: Algebra 1 (MAT200) Geometry (MAT300)	A's	2 years	Math 91
2nd Year Algebra: Algebra 2 (MAT400) Financial Algebra (MAT425)	A's	2 years	Math&107, 111, 180, 181, &146
	A's	1 year	Math 98
	C's or better	2 years	Math 91
Pre-Calculus: Trigonometry/Pre-Calculus (MAT500)	A's (first semester)	1 year	Math& 141
	A' (second semester)	1 Year	Math& 142
	B's or better	1 year	Math 98
	B's or better	2 years	Math&107, 111, 180, 181, &146
Calculus AP-Calculus AB (MAT600) AP-Calculus BC (MAT700) (Please have your AP test score sent to Highline for higher placement.)	B's or better	1 year	Math&151
	B's or better	2 years	Math&148
AP Statistics	C's or better	2 years	Math& 107, 146, 180, 181
	B and Algebra $\frac{3}{4}$ B	2 years-Algebra 2	Math &111

If you would like to use a high school course for placement into a math course at Highline:

1. Please bring, (along with picture ID) an unofficial high school transcript to the Placement and Testing Center: Building 1. You can also email your transcript with your Student ID Number (SID) to placement@highline.edu.
2. If your last math course was taken more than two years ago, it is advised that you take the math placement test.

Math 81: Intro. to Algebra	Math 111: College Algebra	Math 148: Business Calculus
Math 91: Essentials of Int. Alg.	Math 180: Number Theory	Math 141: Pre-Calculus I
Math 98: Int. Alg. For Calc.	Math 181: Geometry	Math 142: Pre-Calculus II
Math 107: Math in Society	Math 146: Statistics	Math 151: Calculus I
