

NEW THIS YEAR:

Class of 2020!

Based on the governors re-opening guidelines Darel Roa Photography expects to begin seeing clients at our studio again effective June 1st. We are excited to offer the graduating class of 2020 the opportunity to have quality graduate portraits created to capture your special accomplishments.

In preparation for returning to serve our wonderful clientele at our studio location the following steps are being implemented:

- Six foot distancing between individuals
- Clients are asked to phone the studio office upon arrival in our parking area (located 11.6 miles from college)
- Door knobs are wiped between every visitor
- Alcohol based wipes, alcohol based spray bottles, hand soap, and disposable paper drying towels are readily available for client and staff use
- Face masks may be worn when entering, leaving and during conversational times of your visit
- Masks may be removed for the actual portrait session
- Anyone not feeling well is asked to cancel and reschedule their appointment at a future date
- Payment recommended by credit, debit, Apple Pay, (cash only if necessary) swiping devices are wiped prior to and after each use
- Clients are asked to bring their own makeup, hair brush, and any personal props such as graduation cap, tassel, gown and diploma cover.
- We have demo diploma covers for many schools which can be used with sanitation between each user.
- Allow extra time. We normally are a very 'hands-on' personal service routinely making modest adjustments of details with our clients as in adjusting caps & tassels for graduation portraits. With social distancing we will simply talk you through the desired adjustments from about 8' away.
- One or two visitors are welcome at the studio ... but will be asked to maintain the face mask and social distancing protocols

Appointments are NOW being accepted for portrait sessions beginning June 1st. Sessions are available starting at 10am and ending most days at 6pm. If an evening is better for you, please inquire. Ten dollar reservation fee applies towards purchase.

This brochure contains special prices for commencement sessions and are not our regular studio prices.

We look forward to serving you with memorable 'Year of the Corona' graduation portraits !
