HOW IT WORKS

We offer tutoring in many subjects. Assistance is available free of charge to any student currently enrolled at Highline College.

All tutored subjects are scheduled at specific times throughout the week. Tutoring is drop-in only. If you need a tutor and would like to know what time one is scheduled, check the subject on our website at tutoring.highline.edu, or come in to the Tutoring Center on campus in Building 25 — 6th Floor.

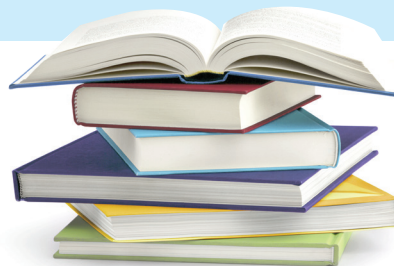

We have computers available for use in the Tutoring Center as well as books, calculators and handouts. All you need to bring is a valid HC Student ID to check out any of the materials.
